

The fourth RCGP Annual Primary Care Conference will be held in Harrogate from 7 – 9 October 2010.

Call for abstracts

There is an opportunity for delegates to present either a 10 minute short paper or a poster presentation at the Conference.

In addition to research and scientific papers, the RCGP welcomes papers that demonstrate good practice, education and any new or innovative projects in primary care. Papers will be accepted from a broad range of professionals including GPs, AiTs, practice managers, nurses, physicians assistants, students and other allied health professionals, agencies and organisations. We also invite overseas submissions and examples of UK GPs working abroad.

Abstracts should be submitted [online](#) by 31 March 2010.

Abstracts will be peer reviewed and authors will be contacted in May.

Accepted authors will be required to register in full to attend and present their paper or poster at the Conference. Prizes for the best research and clinical / practice posters will be awarded at the Conference. [Click here for more information](#)

Register now

Registration for the Conference is now open.

Take advantage of the discounted early bird delegate rates by registering before 28 June 2010.

A number of ticket types are available to suit all budgets and requirements.
